*Carver Vocational-Technical High School is a diploma awarding, career-technology center that is fully certified and accredited. Students are assigned by program area based on a competitive composite score. Students are enrolled in coursework that meets all Maryland high school diploma requirements, as well as the technical and career development pathway that meets MSDE completer sequences. Carver graduates serve the Baltimore community in leadership roles as well as entrepreneurship. Our goal is to equip our graduates to be successful in the world of work or in college.*
