GENERAL ORDER 10-1 **SECTION A-1**

GENERAL ORDERS MANUAL **Revisions Approved: June 12, 2018**

I have instituted a review of all existing departmental directives, General Orders, the Rules and Regulations and Manual of Procedures as a prelude to recodifying and combining these directives for incorporation into a single comprehensive volume.

In keeping with this, all departmental personnel will receive a General Manual for the orderly filing of General Orders, Numbered Memoranda and/or other documentation as appropriate. All departmental personnel will be responsible for the good order of these directives manuals. Supervisors may conduct random inspections to ensure accurate upkeep.

As updated General Orders are issued, they will specify what existing written directives or portions thereof they supersede. New orders will be placed in the new General Manual.

Rescinded directives will be removed from the present General Order Manual by the receiving departmental personnel and destroyed.

It is the intent of the department to review all General Orders, policies, and procedures, on a biannual basis to ensure compliance with applicable state, local, and federal laws as well as best practices of contemporary law enforcement and professional standards.

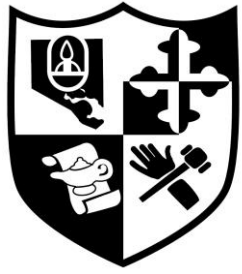

All departmental personnel are hereby advised that existing Baltimore City School Police Force policy and procedures, rules and regulations, shall remain in full force and effect until amended or rescinded by me through formal order. Strict attention shall be given to the revision notice published with each new directive.

All departmental personnel, sworn and civilian, are subject to the intent, policies, and regulations of the Baltimore City Board of School Commissioners.

All General Orders are online and accessible to the public on the Baltimore City Public Schools website.

EFFECTIVE DATE

This Order shall be effective on the date of publication.
