Dear Walter P Carter Elementary/Middle School Families,

City Schools is committed to making sure that every school across the city provides our students with high-quality educational experiences that enables students to thrive, supports their learning and encourages their personal growth. Part of our work in reaching this goal includes an annual review of the district's schools and programs that looks at a broad range of considerations, including academic performance, school climate, school programming, enrollment trends, conditions of school facilities, the range and balance of school options in different parts of the city, and the 21st Century School Buildings Plan.

I recognize that school year 2020-21 is complicated by the ongoing Covid-19 pandemic, the impacts of that pandemic on our communities, and the recognition of the ongoing injustices that impact the communities we serve, our staff and our work. We recognize that changes to school communities can be stressful for school communities. Therefore, this year's recommendations are limited to actions that are part of the 21st Century School Buildings Plan or recommendations where postponing potential actions could cause greater harm than having the Board consider and act sooner on the behalf of our students.

Tonight, based on the results of this year's review and the 21st Century School Buildings Plan, I am recommending that the Baltimore City Board of School Commissioners consider closing Guilford Elementary/Middle School in June 2021, at the end of the current school year, expanding the Walter P. Carter zone expand to include the Guilford zone, and returning the Guilford Building to the city of Baltimore in summer 2021. If the closure is approved, starting in the 2021-22 school year students currently zoned for Guilford will be rezoned to Walter P. Carter Elementary/Middle School to attend the newly renovated 21st Century building created for the students from both communities.

Additionally, I am recommending that Lois T. Murray Elementary/Middle School be relocated to a shared campus with Walter P. Carter in summer 2021 and that the Lois T. Murray building be surplus to Baltimore City in summer 2021.

As a member of the Walter P. Carter community, your feedback on these recommendations is critical. **The Board is providing two opportunities for the public to give comments on all recommendations in the report of this year's review of schools and programs.** Due to COVID-19, all Board meetings are currently being held remotely. Please check the Board calendar or BoardDocs on the City Schools website for call-in information to observe the meetings which can be found here:

In support of the recommendation, the Baltimore City Board of School Commissioners (“Board”) has received a report titled Annual Review of Schools: Review and Recommendations, 2020-21 (“Report”). The Report outlines recommendations and the factors the Board must consider in this process. The Report is available on the district’s website (www.baltimorecityschools.org), or for review upon request at your school office. **The Board will vote on this recommendation at a meeting on Tuesday, January 12, 2021.**

Thank you for supporting our schools and students. We look forward to working in partnership with students, families, and school communities to create a district of high-quality school programs that meets the needs of every student in Baltimore.

Sincerely,

A handwritten signature in cursive script that reads "Sonja B. Santelises".
