Dear Parent,

Great news! Baltimore City Public School has partnered with Smile Maryland to offer in-school dental care. Go to [www.myschooldentist.com](http://www.myschooldentist.com) to sign up your child today.

Even better, dental care is usually at no cost to you. All insurance is accepted including Medicaid and Maryland Healthy Smiles. A low cost self-pay option is available for those without insurance.

## **Convenient and comfortable**

Our in-school dental program saves you time and provides a safe and comfortable place for your child to receive gentle dental care from licensed local professionals. Dental care includes a complete dental exam, x-rays, cleaning, fluoride and sealants when necessary, and in most cases, restorative care such as fillings.

## **Dental care for a healthy life**

Children who see a dentist regularly may have fewer health issues like:

- Early tooth loss due to dental decay
- Gum disease
- Heart disease
- Impaired speech development

Help keep your child healthy, in school and learning.
