

# Kirwan Blueprint Legislation

## Policy Area Four: More Resources for Students

- K-3 struggling learners receive **Transitional Supplemental Instruction**, including a *pre- and post-assessment*
- Develop plan for **enhancing and expanding behavioral health services**
- Each local school system will appoint a **Behavioral Health Service Coordinator**
- Eligible Community Schools have a **Coordinator and Health Care Practitioner**

### Ongoing

- Conduct needs assessment in schools that are receiving CPG funds for the first time
- Within one year of conducting a needs assessment, applicable schools must develop plans to address those needs
