

Career and Technical Education:

Business

**Cluster: Business,
Management and Finance**

*"One day, my goal is to have my own business on the stock market."
- Student*

Finances are so important to keep business open and help them grow. Finance and accounting are vital for businesses because they help keep track of financial transactions, make wise decisions on how to allocate resources, and communicate with creditors and investors. If you want to be the one in charge of keeping business thriving this could be a great fit.

What's the bonus?

- College Credit
- Internship
- Professional coaches

Get Certified or Licensed:

- CLEP Principles of Management Assessment
- Microsoft Office Specialist Certification
