FORWARD TO DISTANCE LEARNING

I realize that the events of the past several weeks have been confusing and at times frightening. But I want you to know that we are doing everything we can to support you and your families — and I am confident that you will continue to demonstrate the strength and resilience that have always marked City Schools students.

This is a period of challenge, but I know that each of you is capable of overcoming obstacles and facing any challenge put in your path. Stay strong, stay focused, and more than anything else stay healthy and safe. Working together, we will get through this period of uncertainty and emerge stronger and more prepared for success.

— Dr. Sonja Brookins Santelises, City Schools CEO

TECH AND MEALS SURVEY

Many families need help with food and online learning while school buildings are closed.

To help us determine your food and technology needs, please complete a short survey at bit.ly/33PgCB6

---

MEAL SITES - WEEK OF MARCH 30

- From March 30 to Friday, April 24, City Schools is providing grab-n-go meals.
- Meals are available to all Baltimore children and youth (18 and under) at 18 City Schools meal sites.
- Sites and times are online at baltimorecityschools.org/meal-sites.
- Please note: Children and adults can each receive 4 meals/person.

---

PACKET WORK CONTINUES MARCH 30 TO APRIL 3

Instructional packets for every grade level are online. Students will continue to work on packets March 30 to April 3.

PREPARING FOR DISTANCE LEARNING

Teachers will engage in professional learning and planning with their schools, while continuing to develop student work.

DISTANCE LEARNING STARTS APRIL 6

Students will be able to access daily reading and math lessons on two educational access channels. They can also access lessons and other resources online.

TEACHER ENGAGEMENT AND PACKET PICKUP

Teachers will engage students and families on different platforms, including Google classroom. Every Monday, students may pick up work packets at the district’s 18 meal sites.
