

Career and Technical Education:

Home Builders Institute

Cluster: Construction and Development

"It is cool to have skills that I can help others and make money while still in high school." - Student

How do I know if this pathway is right for me?

In choosing a pathway, ask yourself :
What do I enjoy doing?
What am I good at doing?
Does this pathway align with my dreams and goals?

What do I have to do to complete this course?

This four-course sequence includes classroom instruction and are designed to be hands-on and infused with STEM education. Students in the HBI pathway certify in Residential Construction and home repair.

Which Schools offer this pathway?

Joseph C. Briscoe Academy
Patterson High School

Home Builders Institute helps you understand how the trades are integrated to build an entire home. If you are interested in becoming a builder, or you have an interest in how to renovate, rejuvenate and "flip" a house as a real estate investor, this could be the pathway to start you on your journey.

What's the bonus?

- Site visits
- Guest speakers
- Internships
- Apprenticeships

Our Partners
