Vision: Each student receives a world-class education to prepare them for success in college, career, and life.

Mission: Provide a foundation for learning that acknowledges diverse needs and common goals to prepare students for success in college and in the global workforce.

Priority I

City Schools will ensure effective, relevant and rigorous instruction designed to engage and prepare students to be independent, creative, and compassionate leaders.

Priority II

City Schools will actively recruit, retain, and support qualified educators, administrators, and staff who are prepared to accelerate the personal growth and academic excellence of each student.

Priority III

City Schools will have high-quality, modernized facilities and resources that support the success of students, educators, administrators, and staff.

Priority IV

City Schools will effectively engage all stakeholders which include parents, families, and caregivers in their child’s education and community partners who can contribute to the student’s success.

Priority V

City Schools students and staff will benefit from clear, reliable, measurable, and predictable management guidelines and systems that ensure profoundly equitable access and opportunity to positive learning and professional outcomes.

Priority VI

City Schools will increase the number of educational programming of all types and levels throughout the city while ensuring that all schools, including charters, guarantee a high quality educational experience.

Priority VII

City Schools will continuously work toward equity at all levels by implementing policies, practices, and procedures that create a welcoming and inclusive academic and professional environment.
