

Digital School Data Profile – Quick Reference Guide

- In your browser, open City Schools website (<https://www.baltimorecityschools.org/>).
- On City Schools website homepage, Click on “Schools”. Search by school name or school number then click on the school of your choice.

- Once on an individual school page, scroll down until you find “Data Profile”. Click on it and you will be redirected to the Digital School Profile on Tableau Online.

Quick Tips

- Hovering your pointer/mouse over a data field in the dashboard provides additional information and detail. This can be helpful when the dashboard can't display a label because of space limitations.

- Clicking on box will display additional links to source files for more detailed data.

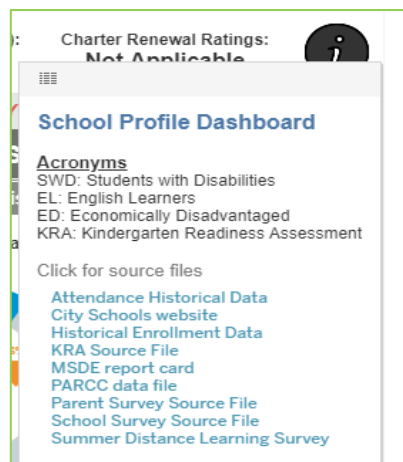

- **School Information:** This is the top section of the Digital School Profile, providing general information for each school including:

- (1) Enrollment – Number of students enrolled at the school as of September 30 of SY 20/21. Arrow shows movement compared to last year’s enrollment number. E.g. arrow pointing up with number 46 means that there are 46 more students enrolled in the school during SY 20/21 than SY 19/20.
- (2) Number of Teachers* – Number of teachers in service at the school as of SY 20/21.
**Official figures are based on full-time teachers as of 10/15/2020.*
- (3) Teacher to Student ratio.
- (4) Average Teacher Tenure* – Average teacher tenure or years of service.
- (5) Number of counselors at the school as of SY 20/21.
- (6) MSDE Star Rating – School star rating by MSDE as of SY 18/19. This is the most recent update of this information and remains in effect currently.
- (7) Race/Ethnicity Composition - % of enrollment by race/ethnicity.
- (8) Students with Disabilities (SWD) - % of enrollment that are students with disabilities.
- (9) English Learners (EL) - % of enrollment that are English learners.

● **Climate Data:** This view displays details of different attendance indicators.

- (1) The donut shows cumulative attendance rate of SY 19/20.
- (2) State Attendance Goal – consistent rate at 94%.
- (3) District Average Attendance Rate – average attendance rate across City Schools.
- (4) Out-of-School Suspension – count of out-of-school suspension incidents where arrow shows trend compared to last year’s suspension incident count.

● **State Assessment Results:** This view displays the most current Maryland assessment results by grade band. The view is divided into Math (on the left) and English Language Arts (on the right). Information in each section includes:

- (1) Overall Performance Donut – % of students who are proficient in that subject area (MCAP or PARCC score of 4 or 5), with arrow indicating trend compared to last year’s proficiency and the number indicating % change.
- (2) Proficiency by Student Group - % of students (in a student group) who are proficient in that subject area (MCAP or PARCC score of 4 or 5).
- (3) District Performance - % of students in the district (in the grade band) who are proficient in that subject area (MCAP or PARCC score of 4 or 5).
- (4) Student Growth Percentile when compared to students with similar performance across state (hover for more details).

- **Parent & Student Surveys Results** which include most recent results for:

- (1) Annual City Schools Parent Survey.
- (2) Maryland School Survey.

- **Early Literacy Metrics:** This view displays most recent Kindergarten Readiness Assessment result. Result in donut shows % of Kindergarten students who demonstrated readiness for Kindergarten at the beginning of the school year. Arrow indicates % change of readiness compared to that of last year.

Note: this section is only available for schools that serve kindergarten students.

- **High School Metrics:** This view displays most recent high school metrics including:

(1) 4-Year Graduation Rate - % of 12th graders graduated.

Notes: Data included for students entering 9th grade in Fall 2016 (Cohort 2017/Class of 2020).

Includes students who graduated from City Schools with a regular Maryland High School Diploma.

(2) College Enrollment - % of 12th graders (class of 2018) who reported as enrolled in college in Fall of 2018, the most recent data available.

Notes: Fall enrollment defined as an enrollment event at a postsecondary institution participating with the NSC between Aug 1 and Dec 31 after graduation date, unless enrollment event ended before Sept 1.

Students who graduated in the summer or fall had two windows of opportunity for fall enrollment: both immediately after graduating, as well as during the fall months the next year.

(3) Highest Average SAT Scores Among Diploma Track Graduates

- Highest Average Composite Score of all SAT attempts by the student.
- Highest Average score for each section (EBRW & Math), with a line indicating District Average for each section.

Notes: SAT results from students who graduated from City Schools with a regular Maryland High School Diploma in 2020.
